Livingston Mountain Snow Routes

The following information applies to only those students who live on Livingston Mountain:

Bus 62 – Those students who catch the bus on NE Livingston Road and NE Hancock Road will board the bus at the Fire District 9 Station located on NE 292nd Avenue.

Bus 7 – Those students who catch the bus on NE Winters Road and in the Jones Creek area will board the bus at the intersection of NE Lessard Road and Winters Road.

A school district car may be used to pick up your students and shuttle them to the bus. The use of a shuttle vehicle allows the district to provide transportation to remote hill areas. To avoid confusion the district auto will be marked on the side with the district name.

If you have any further questions, please feel free to contact the transportation office at 833-5585.
