# JDZ Zephyr

Dear Families,

If you've visited JDZ lately, you are sure to realize that this is a busy hive of activity! Students are concluding culminating projects and celebrating their learning. Teachers are completing final assessments and writing progress reports. And everywhere you look, there are more and more boxes as staff slowly pack up for the move to Grass Valley.

Our school district has a daunting summer ahead. Not only are two elementary schools moving into new buildings, but the district office, Hayes Freedom High School and Camas Child Care are all moving to JDZ. We have to be completely packed by midnight on June 22 so that our stuff can be cleared out for the new occupants. It will be stored in the gym and cafeteria at Grass Valley until August when it is distributed throughout the school. We'll be doing some fancy footwork to get it all set for the first day of school! Be sure to come to our Back to School Party on Monday, August 31. School will begin two days later on Wednesday, September 2<sup>nd</sup>.

If you attend JDZ on a boundary exception, you will have received a letter from us explaining the new procedures. For those families who live within the Camas School District boundaries, boundary exceptions will be determined by the end of this school year. For families who live outside the Camas School District boundaries, decisions will be made by September 4<sup>th</sup>. Of course we hope to be able to honor all boundary requests but realize that determinations are made on the basis of space availability.

Enjoy your summer holiday. Read with your children every day, do math together and make sure you take time to play!

Warm regards,

*Patricia Erdmann*  
Principal
