JDZ ZEPHYR

A Word from our Principal

Dear Families,

We are always trying to increase our communication with families so that you know the good things happening at JDZ. This year we will be sending the Zephyr, our school bulletin, home to you each Friday. Each issue will include an updated calendar as well as information about events and activities. We are extremely grateful to Kim Demmon who has agreed to continue as Zephyr editor for the third year! Please remember that this newsletter comes to you via email notice unless you have asked for a paper copy. Remind your neighbors to sign up for the Zephyr—the most important news in town!

During September each grade holds a one-hour Curriculum Night. It is so important that you attend this event. It's your chance to get an overview of your child's upcoming year at school and an understanding of the teachers' expectations for students and for family support. **Your presence is the perfect way to show that you want your child to be successful!** Free childcare will be available in the library during each Curriculum Night.

Please know that I welcome your questions and concerns as well as your feedback on what's working well. Let's all work together to make this your child's best year ever!

Yours sincerely,

Patricia Erdmann
Principal
