

Public Information Release

Camas School District Athletic User Fees

Beginning with the 2009-10 school year, Camas middle school and high school students will be assessed an athletic user fee to help offset budget cuts in the athletic program. Athletes will pay a **\$25.00 fee for each sport** in which they participate during 1st, 2nd, 3rd and 4th seasons at the middle school and a **\$40.00 for each sport** during the fall, winter and spring seasons at the high school. Fees will be collected by each school's ASB office and are not refundable.

Standard Operating Procedures for Athletic Participation Fees

- For "Non-Cut Sports" – fees will be collected as part of the clearance process, prior to the first turnout for the sport
- For a "Cut Sport" – fees will be collected after the teams are selected, and before the uniforms are issued.
- The building Athletic Director or Coordinator will monitor eligibility and the collection of fees.
- Students seeking financial aid so they can participate may do so in writing to the District Athletic Director, who will review each request individually.
- Financial Aid forms are available from the ASB secretary in each building
- Fees collected will be deposited into each school's athletic ASB account to help cover approved athletic expenditures.
