When: Thursday,
February 25th

Where: CHS Theater

Time: 7:00pm

Information that will be covered:

- Course Descriptions
- Time for individual question and answer session with each teacher
- AP contract
- Summer assignment

CHS offers advanced placement classes that are certified by the College Board. Through college-level AP (Advanced Placement) courses, you enter a universe of knowledge that might otherwise remain unexplored in high school; through AP Exams, you have the opportunity to earn credit or advanced standing at most of the nation's colleges and universities. CHS currently offers AP courses in *Studio Art, English Language, English Literature, US History, US Government/Politics, Spanish, Human Geography, World History, Calculus AB, Calculus BC, Statistics, Biology, Chemistry, Environmental Science, and Physics and Pre-AP courses in English 9, English 10, and Physical Science*. AP courses are available for 9th through 12th grade students. Pre AP courses are available for 9th and 10th graders. The only requirements are a strong curiosity about the subject you plan to study and a willingness to work hard. Just a few reasons to sign up: Gain the edge in college preparation, Stand out in the college admissions process, and Broaden your intellectual Horizons.

Students are required to sign an AP course contract

Parents who are unable to attend this meeting have the option of setting up individual meetings with specific AP teachers to go over contract, class requirements and expectations.
