

3410: STUDENT HEALTH

The superintendent shall arrange for health services to be provided to all students. Such services shall include but not be limited to:

1. The development of district wide procedures that each school building should follow in the event that a student becomes ill during the school day.
2. Consulting the services of a qualified health professional for staff, students and parents.
3. Vision and hearing screening.
4. Maintain current and accurate immunization status of each student.
5. The maintenance of student health records.
