Diversity/Multicultural Education

The Board recognizes the cultural diversity of students, staff, parents and community members of our school district and acknowledges the educational importance of valuing the members of our school district and acknowledges the educational importance of valuing the diversity of all people in our pluralistic society. Diversity includes, but is not limited to: race, religion, gender, culture, age, physically challenged and all other perceived differences. The Board recognizes that diversity-multicultural education is an interdisciplinary process to be integrated into the total school program rather than a single one-time event or series of activities.
