Qualification of Attendance and Placement

Admission of Students Aged Twenty-One or Older
The student will petition the superintendent for admission.
The petition will identify the student's name, age, address and grade level or program of study.
If approved, the petition will specify the tuition fee to be paid, will be signed by the student and
the superintendent and will constitute the written agreement required by law. It will be retained
as a public document and made available to the state Superintendent of Public Instruction upon
request.
The tuition fee will be calculated in the same way the state Superintendent of Public Instruction
determines the cost of educating a student in the district, except that a disabled student who turns
twenty-one during the school year will only pay that amount of money deemed as “excess cost.”
