Distribution of Materials

The board recognizes that nonprofit organizations may want to distribute materials in the school district that are non-curricular but that have social, recreational or educational value for students.

Any nonprofit group wishing to distribute informational material must submit, to the districts electronic flyer communication service provider, "Peachjar."

Informational materials to be distributed must meet certain standards prior to distribution. The primary purpose of the standards is to prevent the exploitation of students by individuals or groups.

The superintendent or designee will review all materials submitted by outside organizations for distribution. Information from outside groups will only be permitted from registered non-profit organizations that conduct business within the boundaries of Camas School District and does not constitute advertising. Final discretion to distribute information lies with the superintendent.

It is the responsibility of the superintendent, to draft procedures regarding this policy.
