Community Education Program

As a method of extending educational opportunities to the entire community through a fuller utilization of school facilities, a community education program may be established. The purpose of this program is to *Enrich Your Life* with quality extra-curricular activities. This is done by providing a variety of before and after school programs for Camas community members and beyond. The program will be financed primarily by participation fees and/or contributions.

The superintendent will establish and periodically present to the board for review, an organizational plan and tentative program that will assure that the program is responsible to the varying needs of citizens living in different sections of the community.
