REGULAR AGENDA

10. QUALITY FACILITIES AND RESOURCES
   C. Recommendation for Architect(s)/Engineer(s) Selection for CSD Capital Program – An interview team made up of staff and two board members interviewed three architect/engineering firms from a field of six that responded to the district’s Request for Proposals. Following the interviews, follow-up reference calls were conducted in regard to those firms. Considering the scope, proposed timelines and complexity of the program staff is recommending two firms, ranked in no particular order; Mahlum Architects and DLR Group. Specific projects will be assigned to each of the firms at a later date according to the capabilities of the teams.
