

2016 Kindergarten Schedule

Dear Parents,

The Washington Kindergarten Inventory of Developing Skills (WaKIDS) is a program developed to help ensure that children in Washington get a great start in kindergarten. A component of WaKIDS is Family Connection which provides an opportunity for families to meet individually with their child’s kindergarten teacher at the beginning of the school year.

These individual meetings are intended to welcome families to school and provide a safe environment for families to speak freely with the teacher. They help families and teachers begin to build relationships so that they can work together to help children be successful in school. Meetings will be scheduled individually with your child’s teacher.

Camas kindergarteners will have an altered schedule at the beginning of the school year to accommodate the Family Connection meetings. The schedule is:

- **September 6-8:** Regular, full-day attendance (regular early release at 1:10 PM on Wednesday)
- Friday, **September 9:** No kindergarten student attendance—Family Connection meetings
- Monday, **September 12:** No kindergarten student attendance—Family Connection meetings
- **September 13-15:** Regular, full-day attendance (regular early release at 1:10 PM on Wednesday)
- Friday, **September 16:** No kindergarten student attendance—Family Connection meetings

Questions? Contact your school office through June 24 or when they re-open on August 22.
