

Camas/Washougal Summer Meals Program 2020

a partnership between Share Vancouver and Camas Friends Church

What: Free, healthy lunches for children under 18 throughout the summer!

When: June 22nd to August 14th from 11:30am-12:30pm, every weekday* (Mon-Fri).

Where: Hamlik Park in Washougal (4285 Addy St)

Why: To give children under 18 access to nutritious meals during the summer months when they do not have access to free/reduced school meals.

How it works: This year we will be utilizing a grab-n-go service style where children/families drive through or walk up to pick up their meals and take them home.

- Children must be present to get a meal but are not required to eat their meal on site.
- There will be no planned on-site activities.
- Every child 18 & under has access to the sack lunches we provide. You do not need to sign anything or prove anything. Just show up and take a meal. No questions asked!
- Due to this year's change in format, we will not be able to serve meals to adults.**
- Camas Friends Church hosts will prioritize cleanliness and safety in our distribution of meals.
