

Local Food Resources

There are many ways to ensure food security for your family.

The FCRC is here for you weekly, from 8:30-4:30pm, except during school holidays, and the following five local resources can also help stretch the family food budget!

Especially helpful over the holiday break would be #4 and #5 on this list.

1. Enroll in Washington's [Basic Food Program](#). This link provides the income qualifying amounts based on family size.
2. To participate in the [CSD FREE and Reduced Lunch program](#), inquire with Nutrition Services or download and complete the application here: [English](#) or [Espanol](#).
3. Contact your student's school counselor if your family could use a little extra food over the weekend. The **Weekend Food Backpack Program** is operated by the Inter-Faith Treasure House and for this resource our school district is grateful!!
4. Also, the C-W Treasure House provides weekly food boxes to local residents. Simply show up at *91 C Street, Washougal, WA 98607*, M-F between 10am and 2pm, to fill out a simple form and the food box will be brought out to you.
5. The C-W Salvation Army, *located at 1612 I St, Washougal, WA 98671*, provides monthly food boxes, which includes appropriate amounts for family size along with meat. Weekly on Tuesdays there is a USDA delivery when cheese, milk, yogurt and fresh produce is stocked. Email [Kendra Taggart](mailto:Kendra.Taggart) to enroll.
6. Also, there is a virtual food box delivery through <https://fullcart.org/>. This came recommended by a mom who ordered and received a box which she liked – but said it took some time to receive. But how fun to one day receive a box filled with a variety!
