Most guardian usernames are firstname.lastname

There are some that vary from that format, but it is rare.

If you've logged into Skyward previously, use the same password.

If this is the first time you've logged into Skyward Family Access, you aren't sure of your username or have forgotten your password, please click on the "[Forgot your Username or Password?](#)" link. It can take a few hours for the reset information to be emailed to you.

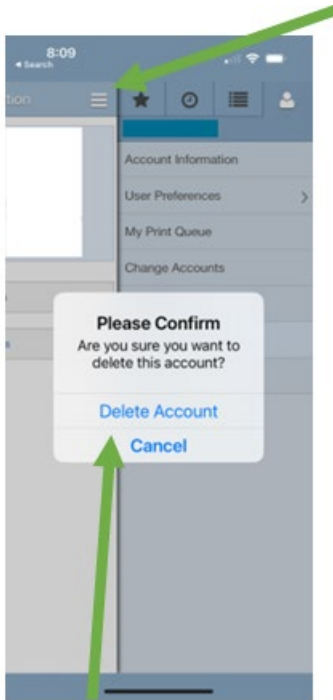

A screenshot of the Camas School District Skyward login page. The page has a white background with a blue border. At the top, it says 'CAMAS SCHOOL DISTRICT'. Below that are two input fields: 'Username' with the placeholder 'firstname.lastname' and 'Password' with a 'Show' link. A green 'Sign In >' button is below the fields. A red arrow points to the link 'Forgot your Username or Password?'. Below that is an 'OR' separator and two buttons: 'Sign In with CSD Staff' and 'Sign In with CSD Student'. At the bottom, there is a Skyward logo and the version number 'Version: 1.273.6.12912'.

For information on logging into Skyward Family Access' Mobile App, please see below. If you don't know your username or password, please reset in the Web, not on the Mobile App.

Logging into the Skyward Mobile App

Because we migrated to an updated Skyward Student Information System over the summer, you may need to delete your old Skyward account.

Find the Skyward App on your phone, and open it.

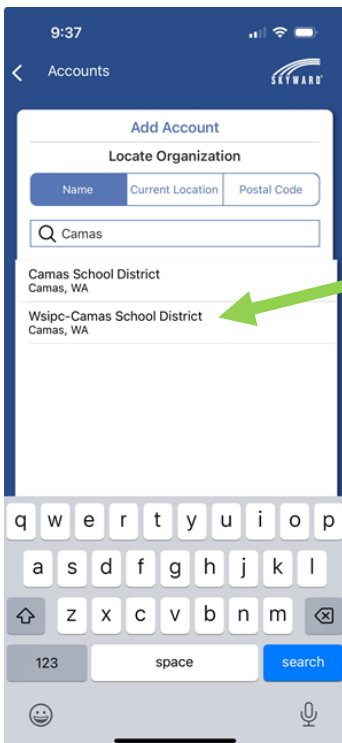

Click the menu in the upper right (three lines).

Click Delete Account, then Click Delete Account again to confirm.

The app will bring you to the GETTING STARTED screen.

Click search by name and enter CAMAS or tap Postal Code and enter 98607.

Choose the option for Wsipec-Camas School District.

The top option, Camas School District, is the old version of Skyward.
